This certifies _____, here referred to as Mare Owner, has engaged one service to **Statesmans Courage** for _____.

This service is subject to the following:

1. A booking fee of \$250.00 is payable with this contract and the balance of \$600.00, plus all unpaid expenses will be payable upon receipt of an invoice.
2. No mare leaves the farm without being paid in full.
3. 18% interest will be charged on all accounts in excess of thirty days. All mares left more than thirty days after a 45 day pregnancy check, without prior agreement, will be charged double boarding fees.
4. A copy of registration papers, a veterinarian's certificate, including a current uterine culture, worming, and immunization records along with a current coggins test shall be furnished upon delivery of mare to the breeding farm. If these are not present upon mare's arrival, the Breeder shall have the attending veterinarian make proper test and evaluations at the Mare Owner's expense.
5. The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. Any mare certified by the attending veterinarian not to be, in his opinion, in sound breeding condition shall not be bred. A Mare Owner may substitute another mare within the breeding season. This contract shall not be transferable by Mare Owner.
6. The Breeder agrees to diligently try to settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the Breeder shall be held blameless. There will be no guarantee of a live foal for any mare leaving Friendly Morgans before being checked safe in foal by the attending veterinarian.
7. Live Foal Guarantee. Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal or if the foal is stillborn, a return season will be guaranteed the following year only, providing proper notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a nonviable foal. Mare Owner verifies that such abortion or death did not result from any act or omission of the Owner subsequent to the mares departure from Friendly Morgans.

8. Waiver of Liability. It is understood that the breeding farm, its owners, employees, veterinarians, and guests shall not be liable for any injury, escape, disability, or death of any horse on its premises. The above named Mare Owner, whose horses are under the care of Friendly Morgans, will not be liable or responsible for any damage, injury, or death to the breeding farm stallions, employees, veterinarians, or other animals in the care of Friendly Morgans, whether or not caused by his horse.

9. If the above named mare dies, or becomes unfit for service during the breeding season, the Mare Owner may substitute another mare that is agreed to by both - the Mare Owner and Breeder.

10. If the above named stallion dies, or becomes unfit for service, this contract shall become null and void. The stallion breeding fee will be refunded to the Mare Owner only if the above named stallion dies AND the mare proves barren, aborts her foal, or if the foal is stillborn. For no other reason than the stallion dying will money be refunded.

11. A breeders certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of the birth of the foal.

12. All fees associated with the 1st collection of the above named stallion will be included in the above fees. Any subsequent collections will incur additional fees as imposed by the collection station plus a reasonable transport fee and shipping fee.

13. The booking fee, payable with this contract, is not refundable.

14. Any litigation that may result from this contract must take place in Alamance County, North Carolina only.
